

Organising Discourse meeting 9

5 - 6 November 2015

Guest: Cenk Dereli (TR)

+ Project proposal presentation/tutorial + Repair Society follow up

This meeting will partly be a continuation of last week's project presentations/tutorials (for you who haven't already), a follow up on the Repair Society workshop (documentation and reflection) and an introduction lecture and short workshop with the Istanbul based architect Cenk Dereli.

Attached is an invitation/program PDF for the lecture and workshop.

For the Repair Society documentation and reflection we will collect and organise documentation and reflections from the workshop. In relation to this there will be questions for you from Joanna van der Zanden sent to you in a separate e-mail.

Below you'll find a complete schedule for the rest of this autumn's meetings, including tutorial sessions.

Please note again that you have to sign up to workshops now, before 29th November.
